## PROFESSIONAL SUMMARY

I am a motivated and detail-oriented WordPress developer with hands-on experience in building, customizing, and maintaining dynamic websites. Proficient in creating custom themes, optimizing website performance, and integrating plugins to enhance functionality. Experienced in responsive design, SEO best practices, and troubleshooting technical issues to deliver high-quality user experiences. I have a strong understanding of modern web development technologies, including HTML, CSS, JavaScript, and PHP, which I leverage to create professional and visually appealing websites. As an intern, I honed my skills by contributing to various projects, gaining practical experience, and demonstrating the ability to work collaboratively with teams and meet deadlines. I am eager to apply my knowledge and creativity to help organizations establish a robust online presence and achieve their goals.
